

The affordable LED solution

Essential LEDspot PAR

Essential LED PAR is an affordable LED spot lamp that is designed as a retrofit replacement for halogen spot PAR lamps. It provides a natural lighting effect as well as instant energy savings – an environmentally friendly solution. The Philips Essential LED family is designed for spot and general lighting applications in the hospitality and retail segments.

Benefits

- Reduced operational cost thanks to energy savings of up to 80%
- Lower maintenance cost thanks to a more than five times longer lifetime than conventional halogen spot lamps
- Easy retrofit, upgrading the existing luminaire to LED technology
- Low initial investment

Features

- Lower energy consumption compared to halogen spot PAR lamps
- Retrofit replacement of halogen spot lamps with existing transformers
- Lifetime up to 15 000 hours
- Non-dimmable

Application

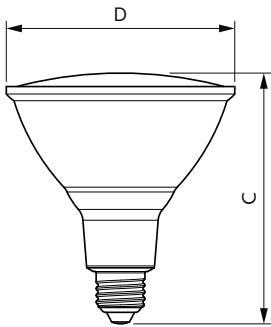

- Hospitality (restaurants, hotels, coffee bars)
- Retail
