

SmartBalance, suspended

SP480Z CP WH KIT

Coupling piece - Kit

Although in many cases the functional lighting performance is key, customers are also keen to apply luminaires that are attractive and/or unobtrusive. Especially in applications where luminaires need to be surface-mounted or suspended, it can be difficult to satisfy both these requirements. SmartBalance is clearly the next step in surface-mounted and suspended luminaires for the specification market. It not only offers increased energy efficiency, but is also visually appealing without being intrusive. And its design helps to minimize clutter on the ceiling and meets all relevant office norms. SmartBalance is also available in recessed and free floor-standing versions.

Warnings and Safety

- The product is IPX0 and as such is not protected against water ingress, so we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not taken and the luminaires are subject to water ingress, Philips/Signify cannot guarantee safe use and the product warranty will become void

Product data

General Information		Mechanical and Housing	
Type description	KIT [Kit]	Dimensions (height x width x depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)
Material	Aluminum	Product Data	
Suspension accessories	CP [Coupling piece]	Full product code	871829127246500
Accessory colour	White	Order product name	SP480Z CP WH KIT
