

DALI Square Track

RCS750 5C6 L3000 BK (XTSC6300-2)

3-circuit power track adapter with DALI pulse control GAC600

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

Product data

General information		Dimensions (height x width x depth) NaN x NaN x NaN mm	
Protection class IEC	Safety class I (I)	Approval and application	
Glow-wire test	850/5 [Temperature 850 °C, duration 5 s]	Ingress protection code	IP30 [Tool-protected]
Suspension accessories	No [-]	Product data	
Mechanical accessories	No [-]	Full product code	871869606533400
Accessory colour	Black	Order product name	RCS750 5C6 L3000 BK (XTSC6300-2)
Operating and electrical		EAN/UPC – product	8718696065334
Electrical accessories	No [-]	Order code	06533400
Circuit	5C6 [3-circuit power track adapter with DALI pulse control GAC600]	SAP numerator – quantity per pack	1
Mechanical and housing		Numerator – packs per outer box	1
Length	3.0 m	SAP material	910502500045
		Net Weight (Piece)	2.990 kg
