

Dynalite Wireless Devices

PDZG-E Dynalite Zigbee Gateway Ethernet

Commercial building owners are facing one of their greatest challenges; how to reduce day-to-day operating costs while maintaining comfort and productivity. Intelligent lighting systems are an obvious choice. Although intelligent systems offer energy-saving, monitoring and maintenance capabilities that improve the efficiency of building operations, many building managers are reluctant to make the switch in their existing buildings due to the requirement for new cabling. A Philips Dynalite wireless system offers all the benefits of an intelligent control system, without the need for extra control cabling.

Product data

Dynalite Wireless Devices

General Information

CE mark	CE mark
Remarks	Please download the Lighting - Product Data Sheet for more information and ordering options
EU RoHS compliant	Yes

Approval and Application

UL recognised	Yes
UL recognised Canada and USA	Yes

Application Conditions

Ambient temperature range	0 to +40 °C
----------------------------------	-------------

Product Data

Full product code	871869688819300
Order product name	PDZG-E Dynalite Zigbee Gateway Ethernet
EAN/UPC – product	8718696888193
Order code	88819300
SAP numerator – quantity per pack	1
Numerator – packs per outer box	20
SAP material	913703245409
SAP net weight (piece)	305.000 g
