

# DALI Square Track

## ZCS750 5C6 IPC GR (XTSC621-1)

3-circuit power track adapter with DALI pulse control GAC600 - In-line coupling piece

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

### Product data

General Information		Product Data	
Suspension accessories	No [-]	Full product code	871869606562499
Mechanical accessories	No [-]	Order product name	ZCS750 5C6 IPC GR (XTSC621-1)
Accessory colour	Gray	EAN/UPC – product	8718696065624
<b>Operating and Electrical</b>		Order code	06562499
Electrical accessories	ICP [ In-line coupling piece]	Numerator – quantity per pack	1
Circuit	5C6 [ 3-circuit power track adapter with DALI pulse control GAC600]	Numerator – packs per outer box	100
<b>Mechanical and Housing</b>		SAP material	910502500074
Dimensions (height x width x depth)	NaN x NaN x NaN mm (NaN x NaN x NaN in)	SAP net weight (piece)	33.000 g
